The usual grant to the Trust Board in previous years' budgets was only Rs 50,000 During the course of the year this was being supplemented by an additional grant of Rs 25,000 for certain urgent works which the Trust Board had undertaken

During the current year also, the provision allowed was Rs 50,000 As per orders of the Member in charge, at flag Q, the provision for enhanced grant was noted for consideration at Budget time and Rs 25,000 more was allowed as per Council Resolution flagged R It is therefore clear that enhanced provision was allowed when preparing the Budget itself

Large additional grants amounting to Rs 4 lakhs have already been sanctioned in the year, and it is neither possible nor advisable to sanction further grants. There are many more important and urgent items under

With reference to Government Order No L 501-4/Ml 99-86-4 dated 10th July 1937 sanctioning the Budget Estimates of Receipts and Expenditure of the City Improvement Trust Board for the year 1937-38, I have the honor to state that the Budget Estimates had been framed on the basis of a State Grant of Rs 1,00,000/- in view of the many urgent and important schemes already taken up and proposed to be taken up in the City Consequent on the State Grant having been limited to Rs 75,000/- it became necessary to omit some of the urgent and important works for want of funds A statement of works considered very urgent and necessary is hereto appended for reference It is desirable that these works are started and completed during the year for reasons noted against each

I therefore request you kindly to move Government in the matter of sanctioning a supplemental grant of Rs 30,000/- or at least a sum of Rs 25,000/- to enable me to go ahead with the works
